## EDUCATION

---

**Wake Forest University**, *Computer Science B.S.*

Expected Graduation: June 2023; GPA: 3.81

Academic Coursework: Data Structures, Algorithms, Web Development, Discrete Math, Calc I & II

Relevant Online Courses: Ethereum Dev (80hrs), React (65hrs), iOS Dev (45hrs)

## SKILLS

---

**Programming Languages:** JavaScript, TypeScript, Solidity, Swift, Java, Python

**Software Packages:** GitHub, GitLab, React, VSCode, PyCharm, IntelliJ, Xcode, Airtable, GraphQL, Remix

**Development Tools:** Firebase, Truffle Suite, MongoDB, Heroku, Selenium & Beautiful Soup, Hard Hat

## PROFESSIONAL EXPERIENCE

---

**8VC**, *Fellow*

- Meeting interesting founders and students who share a passion for building

May 2021 – Aug 2021  
Remote

**Gatsby Labs**, *Software Engineer Intern*

- Anticipating working on their web app (React, Typescript, MongoDB, GraphQL)

May 2021 – Aug 2021  
Austin, TX

**Worksense Analytics**, *Software Engineer Intern*

- Lead frontend web development; built the UI for the entire app (React, TypeScript)
- Iterated with designers on wireframes for user-facing features

May 2020 – Aug 2020  
Boston, MA

**Short Story**, *Software Engineer Intern*

- Developed internal tools used by over 15 fashion experts (React, TypeScript)
- Implemented backend logic and built data models to add features to internal tools (Python)
- Ported internal tools' client-side logic to backend systems (Airtable, Heroku, Python)

Jan 2020 – May 2020  
San Francisco, CA

**Sampan**, *Software Engineer Intern*

- Learned to web scrape with Python via Udemy tutorials (Scrapy, Selenium, Beautiful Soup)
- Implemented the login and registration screens (Swift, Firebase)
- Integrated user profile UI into a reusable model-view-presenter module

Apr 2019 – Aug 2019  
Corning, NY

**Corning Incorporated**, *Research and Development Intern*

- Performed proprietary chemical testing in a lab setting
- Conducted over 3 hours of lab experiments each day
- Presented lab results to, and iterated on feedback from, 12 senior scientists

Jun 2018 – Aug 2018  
Corning, NY

## EXTRACURRICULARS

---

**Wake West: Study Away Practicum**

- Spent my spring semester in the Bay Area interning at a YC startup and studying entrepreneurship
- Only freshman accepted and only member to accept an internship outside of Wake's network

Jan 2020 – May 2020  
San Francisco, CA

**Three Rivers Nursing Home**

- Prepared gift bags for over 100+ residents, each year, for over 8 consecutive years in a row
- Organized delivery of gift bags to each of the 100+ residents, every Christmas Eve

Dec 2012 – present  
Corning, NY
